

At home and in the wild, animals enrich our lives. They deserve the same from us. Morris Animal Foundation is a nonprofit foundation that funds humane animal health studies to advance veterinary medicine. Our work helps animals worldwide to enjoy longer, healthier lives. And that makes our lives better, too.

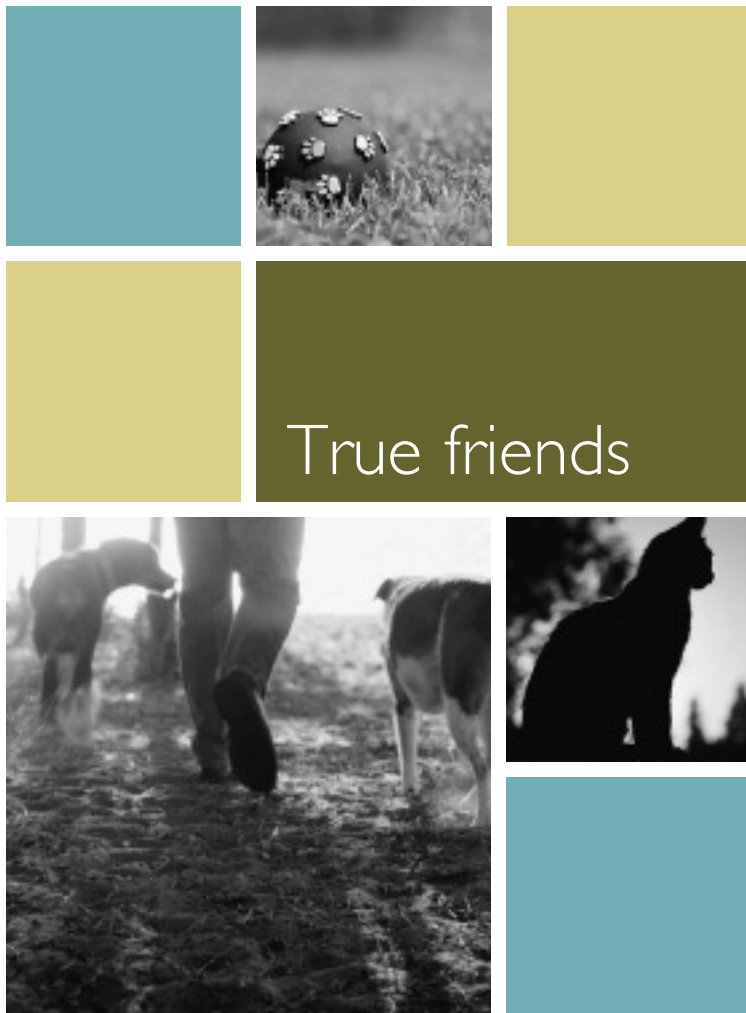

Morris Animal Foundation and ABKA are committed to working together to improve animal health. To learn how you can help, please visit www.MorrisAnimalFoundation.org, or call **800.243.2345**.

Please accept our heartfelt condolences for your loss. In honor of you and your pet, we've made a donation to Morris Animal Foundation, the world's largest private source of funding for animal health studies to advance veterinary medicine. We hope you'll take some comfort in knowing that your companion's memory will live on through the generations of animals to come.

Even when they're gone,
they never leave our side.
