Denver, Nov. 14, 2007: Here is the perfect gift idea that will not only be invaluable to the pet owner/animal lover on your gift list but also will directly benefit the health of companion animals and wildlife. Morris Animal Foundation (MAF) is offering the new Merck/Merial Manual for Pet Health on its Web site: www.morrisanimalfoundation.org. For a minimum \$100 donation, MAF will send a complimentary copy of this complete new pet health guide, written in everyday language, to you or the person you identify. This complete pet health resource covers dogs, cats, horses and many other pets. Place your holiday gift order for the pet health manual at https://www.morrisanimalfoundation.org/merck_book_form as soon as possible for receipt by Christmas. Shipping will take a minimum of seven to 10 days from date of order.

###

About Morris Animal Foundation: Morris Animal Foundation, established in 1948, is dedicated to funding research that protects, treats and cures companion animals and wildlife. MAF has been at the forefront of funding breakthrough research studies benefiting animals in some 100 countries, spanning all seven continents on earth. MAF has its headquarters in Denver, Colorado. The Foundation has funded nearly 1,400 humane animal health studies with funds totaling more than \$51 million. One hundred percent of annual donations go to fund health study programs. For more information, call (800) 243-2345, or visit www.MorrisAnimalFoundation.org.
