

Morris Animal Foundation Online Application Form Directions

To submit a proposal application to Morris Animal Foundation, **please read these directions carefully:**

To start a **NEW** online application, click on the appropriate link below:

[Established Investigator](#)

[Fellowship Training](#)

[First Award](#)

[Pilot Study](#)

You will be taken to Morris Animal Foundation's online application sign in screen.

- If you have previously submitted a Morris Animal Foundation online application, log in with your existing username and password
- If this is your first Morris Animal Foundation online application you will need to set up an account

NOTE: Once you have started your online application, you will have the option to save and finish later. Once your application has been saved, you will receive a confirmation email with a tracking number for your records.

If the **NEW** online application link is accessed more than once per proposal, you will be creating more than one online application.

To **CONTINUE** an **EXISTING** online application and access your Morris Animal Foundation online application account, click on the link below:

[Account Page](#)

From your Morris Animal Foundation account page you can:

- Continue/modify saved online applications
- View submitted online applications
- Delete any online applications that were inadvertently created
- Change account e-mail/password

NOTE: The above links will “redirect” to a host website and as a result cannot be added as a “bookmark” or a “favorite” in your web browser.
